

Values

Habot | November 29, 2024 | Page 1/1

1. Have humility and act without seeking external validation or applause
2. Embrace the bigger picture over ego driven motives
3. Generate Vitality and Prosperity on both sides in the mind before even acting
4. Look for both sides in any conflict
5. Threading Shiva and Shakti
6. Own & be accountable for the applying of discipline and the Appreciation and Pebble Scheme [APS] in your own team
7. Continuous improvement for self and team
8. Using direct methods to expose deception
9. Using a combination of moral & method as levers to solve challenges
10. Recognize the right time for action
